About the 2023 Coaches vs Cancer National Golf Classic

We are pleased to invite you to the 23rd annual Coaches vs. Cancer National Golf Classic, along with a special Circle of Honor dinner and reception. We expect 100+ golfers to attend this exclusive two-day event, including coaches, sports personalities, corporate sponsors, business and philanthropic leaders, and distinguished guests. Please plan to join us and help us save lives from cancer.

Golf outings will occur on Sunday and again on Monday, capped off with a post-round awards lunch on Monday afternoon. The Circle of Honor dinner will be held on Sunday evening. This year we are proud to honor Coach Mike Brey to celebrate his career and to recognize him for his long-time support and commitment to Coaches vs. Cancer.
